

The Coalition of Conservatives in Action is currently designed to be supported by members through membership dues. ***

The primary function of our mission is to educate not only our members but elected officials and individuals running for office on issues of concern in our community. Dues that we collect will be used for:

Educational Materials for member/community use

Meeting place rental fees (if applicable)

Refreshments for meetings

Website hosting fees/other technology fees

Administrative Supplies

Publication costs – flyers, agendas, newspapers, article processing charges, copies, et. al.

Dues will NOT be used for political contributions.

There will be a treasurer report provided to the members weekly.

We shall begin collecting dues on November 1, 2021. Dues paid will be applicable for the remainder of this year (2021), and for the full year of 2022. Membership dues will become payable again in January, 2023.

Should you have any questions, please feel free to contact:

***We understand many home budgets may be strained. If that is the case, please let me or Janice know. Although the dues are important, your participation is worth much more.
