

# DACFRW POLL CHALLENGER/WATCHER TRAINING

Election integrity is important to everyone...but what does that look like? Would you like to volunteer to become a watcher, a challenger, or a poll worker? Or would you just like to understand more about the process?

Join us as we go through the process of challenging at the polls. We will go over the NM Election Handbook, the differences between a watcher and a challenger and what to expect in the polling place.

**Bring a pen, paper, and an open mind as we work through the polling process.**
