

Training GOP Data Center

Learn, Refresh, Explore

First-timers will LEARN. Seasoned users will REFRESH their skills. Everyone will EXPLORE the many uses of GOP Data Center.

- Look up voter information
- Create contact lists
- Identify hard Republicans, weak Republicans
- Identify Democrats and Decline to States
- Whatever you need, we can help
- Leave with full access to GOP Data Center

WHEN: Saturday Aug 12, 9:30-12:00

WHERE: RNC Hispanic Cultural Center
201 S. Solano, Unit D

No Cost, but please register for space (first come first serve)
